TRUTH

THE NOLAN CATHOLIC EXPERIENCE

At Nolan Catholic High School, our students experience education through their Catholic faith: an exhilarating invitation for a relationship with Jesus Christ. Addressing the whole person and their innate sense of wonder, our students deepen this relationship through a rigorous formation in the classical liberal arts and sciences. With state-of-the-art facilities, an award-winning fine arts program, championship level athletics, innovative ecology and engineering programs, Nolan Catholic encourages the pursuit of excellence in all fields as every student's unique response to the call to holiness. The studies of theology, science, engineering, math, history, literature, and language - combined with robotics, music, art, athletics, and other extracurriculars - are oriented to the same end: unity with the very source of all Truth, Beauty and Goodness.

BEAUTY

HISTORY

Nolan Catholic High School continues a faith tradition that began more than half a century ago: preparing students to become tomorrow's servant leaders. Founded by men and women in religious vocations, the school was originally called "Our Lady of Victory." In 1963 it was renamed in honor of the late Monsignor Robert N. Nolan for his devotion to the community of Fort Worth. As a ministry of the Diocese of Fort Worth, Nolan Catholic provides families with a Catholic, college preparatory path with an emphasis in the liberal arts, an education based in faith, formation in hope, and perseverance in charity.

OUR MISSION:

Nolan Catholic is a ministry of the Diocese of Fort Worth providing a college preparatory education and evangelizing students to be tomorrow's servant leaders through:

- Education in Faith
- Formation in Hope
- Perseverance in Charity

GOODNESS

CURRICULUM

TRIVIUM

The Trivium program is a four-year track in which students engage in a deeper study of the methods of classical education. Starting with Grammar and moving into Logic and Rhetoric, students will develop skills that will allow them to write about, think about, and articulate clearly the great ideas of our Western tradition. Once equipped with these fundamental skills, students will flourish in any profession, vocation, or area of study they choose. Our Trivium program educates our students at the intersection of faith and wisdom.

ENGINEERING PROGRAM

From launching space explorations to delivering safe, clean water to communities, engineers find solutions to pressing problems and turn their ideas into reality. Engineering empowers students to step into the role of an engineer, adopt a problem-solving mindset, and make the leap from dreamers to doers. The program's courses include: Introduction to Engineering Design, Computer Integrated Manufacturing, Computer Science Principles and Engineering Essentials. Students engage in compelling, real-world challenges that help them become better collaborators and thinkers.

HONORS, AP, DUAL CREDIT

Advanced Placement (AP) courses offer qualified students an opportunity to do college-level work while in high school. Students enrolled in AP courses are encouraged to take the AP exam to potentially earn college credit.

GRADES

Report cards are available at the end of each quarter. Grades of 70 and above are passing; grades of 69 and below are failing. Semester grades are comprised of 40% for each quarter grade, plus 20% for semester exam grade. Semester grades are calculated on a 100-point scale.

- | | |
|---------------------------------------|--|
| Algebra II *** | Great Theological Controversies *** |
| American Literature ** | Introduction to Engineering Design *** |
| Anatomy/Physiology *** | Latin III *** |
| Biology * | Latin IV * |
| Biology *** | Macroeconomics * |
| British Literature ** | Physics I * |
| Calculus AB * | Physics C: Electricity & Magnetism * |
| Calculus BC * | Pre-Calculus *** |
| Chemistry * | Principles of Engineering *** |
| Chemistry *** | Probability & Statistics * |
| Computer Integrated Manufacturing *** | Psychology * |
| Computer Science Honors * | Rhetoric *** |
| English I *** | Scientific Research & Design *** |
| English II *** | Spanish III *** |
| English III * | Spanish IV * |
| English Composition ** | Spanish V * |
| English IV * | Studio Art Drawing * |
| European History * | U.S. Government * |
| French III *** | U.S. Government ** |
| French IV * | U.S. History * |
| Geometry *** | U.S. History ** |
| German III *** | World History * |
| German IV * | |

* Advanced Placement
** Dual Credit

*** Honors

Eight points will be added to each semester grade in Honors and Advanced Placement, and four points will be added to Dual Credit courses when computing grades. Students must earn a 70 or higher in order to receive honors points on their semester grade.

GRADUATE HONORS

Amon G. Carter Scholars – Cumulative numerical average of 95.000 or higher for seven consecutive semesters and six or more credits in Honors/AP courses completed.

Summa Cum Laude – Cumulative numerical average of 96.000 and above with no grade below 70.

Magna Cum Laude – Cumulative numerical average of 90.000 to 95.999 with no grade below 70.

Cum Laude – Cumulative numerical average 85.000 to 89.999 with no grade below 70.

*“Lord Jesus, we gather in spirit at the foot of the Cross with your Mother and the disciple whom you loved.
We ask your pardon for our sins, which are the cause of your death.
We thank you for remembering us in that hour of salvation and for giving us Mary as our Mother.
Holy Virgin, take us under your protection and open us to the action of the Holy Spirit.
Saint John, obtain for us the grace of taking Mary into our life as you did, and of assisting her in her mission.
May the Father and the Son and the Holy Spirit be glorified in all places through the Immaculate Virgin Mary.
Amen.”*
