## Nolan Catholic Annual Fund North Texas Giving Day

Thank you to the entire Nolan Catholic community for their support of the Nolan Catholic Annual Fund by raising \$72,317 during North Texas Giving Day! The Nolan Catholic Annual Fund is the foundation of all philanthropy at NCHS. All gifts to the fund help to bridge the gap between tuition and the true cost of a Nolan Catholic education! You truly showed strength in numbers yesterday and we are so grateful to our community for coming together!!!

If you did not have the opportunity to make a gift, you may still participate at [www.nolancatholic.org/give](http://www.nolancatholic.org/give).

## New Buses for Nolan Catholic Students

A generous benefactor has donated two buses to Nolan Catholic. The bigger of the two will have a plaque in it to honor Richard Moore who, along with many job responsibilities, served as our bus driver for over 30 years. The buses are blessed and in great condition and have air conditioning and seat belts. All ready for comfortable and safe transport to all NCHS activities.

## NCHS BROADCAST

NCHS offers a broadcast course that allows students the opportunity to learn all aspects of broadcasting and production. This includes on and off-camera video journalism, DSLR camera operation, video production, audio engineering, live broadcast production, and creative short-film production. In addition, our students utilize video editing software, plan, and execute the production schedule for weekly broadcasts during the school year as well as special events and sporting events. The NCHS Broadcast Team has recently produced two broadcasts: one for the September 11 memorial and one to showcase our CBS Pep Rally morning. Check out the broadcast videos.
