ALUMNI EVENTS & NEWS

"The Game That Connects Us All", display by Lauren Cannon '19 at Globe Life Field

We are thrilled to announce a special celebration of high school baseball in the state of Texas, with a particular emphasis on including private schools like Nolan Catholic. This exciting initiative features a permanent structure located right above section 101 on the main concourse, just inside the TXU North Entry at Globe Life Field, home of the Texas Rangers.

Nolan Catholic High School is proudly featured in the center of this installation, highlighting our school's rich baseball tradition and achievements. The project began in January, spearheaded by Lauren Cannon, an alumna from the Class of 2019. Lauren reached out to schools and athletic directors across DFW and Texas to gather information and ensure wide-spread representation.

This permanent structure serves as a testament to the hard work and dedication of high school baseball players, coaches, and communities throughout Texas. We are honored to be a part of this celebration and encourage everyone to visit and appreciate the display.
